

How To Identify My Weaknesses

Discussion

How are you doing?

I am very well. It sounds like like you had a relaxing day.

I had three classes before this one, I will have more later today.

stool = der Stuhl

English has been “corrupted” from it’s Germanic roots, by French which is Romanic language.

Maybe about 30% of English vocabulary is French origin.

English is much easier. Grammar is much easier.

People really like when you can speak their native language.

How would you describe your personality?

I am a responsible, generous, and friendly person.

I like coffee and tea.

What are your strenghts?

Responsibility is my strenght. It’s really important because if a person is responsible he or she can do everything well.

Responsibility is a personality trait.

How about your weaknesses?

I am not very outgoing and I am too agreeable.

Why is not being outgoing bad?

Have you tried to be less agreeable?

I am improving it. I have refused them three times, for three weekends.

Silence is golden.
