

# Money Personality

## Discussion

How are you doing today?

I am doing great.

How many classes have you taken?

I took three classes.

What are some things you learned about today?

The previous class was about dealing with bad emotions.

We had a freetalk discussion.

How about the classes before today?

I had a free talk discussion.

You had 45 minutes introduction?

What is personality?

My personality is extroverted.

I am an extrovert.

How do you know?

It depends on who I go with.

How does that depend?

In my culture we regard that as bad thing.

Are you happy with the way you handle your money?

Sometimes I am not happy with it. I made some bad investments, I splurge money on some unnecessary things.

I can't put the blame on others.

People around me leave/have a big influence on me.

I am influenced by people around me.

What opportunities can money get you?

Money can help you travel, get better education, healthcare, healthier food, etc.

I wasted a lot of money before but after pandemic I started to have awareness of efficient spending or my money.

How did you get this awareness?

Pandemic contributed to my awareness. I had my own business. I made a lot of money, I lost my business. I felt tight on money. My budget was very tight(low).

I had to spend more money on my daughter. Education always comes first.

She was young and didn't use too much money.

The advantages outweigh disadvantages.
