Discussion

How are you doing?

It's good, just a little bit busy.

I didn't finish my dinner.

I am going to finish my dinner after the class.

What did you do today?

Before the lesson, I made dinner and worked.

How is the weather today?

The weather is hot.

What's the temperature?

It's 32 degrees Celsius(Centigrade).

Why did you choose this topic?

I chose a teacher first.

I saw...

I chose a teacher.

What is a hurricane?

It's a kind of natural disaster. It's a very powerful wind that can destroy everything in its path.

Natural disasters: hurricane, earthquake, volcano eruption, tsunami, typhoon, flood, drought...

Tsunamis are created by an earthquake in an ocean, and then power transfers to water, and generates a huge wave.

Have you ever experienced a natural disaster?

I have experienced a flood but it wasn't serious.

Why people choose to live and build home in areas that are regularly affected by a natural disaster?

Vocabulary

MPH

miles per hour

1 mile = 1.6 km

6. storm track(noun)

Choose

Irregular verb choose - chose - chosen

Degree

It's a countable noun, so when you have more than 1 you have to use plural form.

1 degree
39 degrees

Grammar

Past tense

Past tense is not something that we rarely use, we use it all the time in our everyday conversation. When you talk about what you did, what happened to you, and stories, use past tense.

Pronunciation

THE

When “the” comes before a **vowel sound**(a,e,i,o,u) you need to pronounce /thi/ instead of /th/.

the/thi/	the/th/
the end	the student
the air	the teacher
the orange	the chair
the hour	the university(a university)

Words to work on

1. diameter(noun)
