

# The Man In The Green Hat

## Discussion

From 1st to 3rd we went to the countryside, to visit my friends. After that we went to my new house.

Is it a house or an apartment?

It's a house, with three floors.

Why did you buy this house?

The environment is really good, my husband really like it.

When will the house be ready?

This house is a big project and it takes a lot of work. We need to fix an elevator, we need to build elevator shaft.

How would you describe it's environment?

There is a very big lake in front of the house.

There are many mountains behind the house, we have almost 300 squared meters that we can use.

Isn't that too much for just too of you?

My husband wants to start gardening after he retires.

Is this countryside house or in urban area?

It's about 30 minutes from the city.

Why do people get heart broken?

Their marriages and work fail.

Why?

It might be because of the wrong partner choice.

How to find a good partner?

Your partner must have responsibility and be trustworthy.

They are not honest.

A couple needs to have almost the same values.

If they don't have the same values, then why do they get together in the first place?

Is adultery common in China?

Yes, it is.
