## Discussion

It's a little bit cold for this time of the year.

I am from Serbia, I come from Serbia.

Sombor

Much medical help

I have over 200 lessons a month.

I live in a house.

I have 3 bedrooms, very big kitchen, very big living room.

He is number 1 tennis player.

Federer retired yesterday. It was his last match.

How tall are you?

I am 1.9 meters tall.

Now this is an average height in Serbia.

height

Asians are shorter.

If you play basketball and for some sports it can be.

Girls more care about your wallet more than your height.

Girls are not going to like you just because you are tall.

She is about 1.65

Women like to wear high heels when they go out, so the difference is not much.

How about if a woman is taller than a man?

Strength is related to height.

If a woman is taller, she seems stronger than him.

This is not true, blonde hair is rare as well as blue eyes.

It's not important to me personally.

Body shape is more important.

I exercise at home every day.

I like Muay Thai and I do latex band exercises.

It's called X3 system.

Who is your favorite fighter?

Noone has died in UFC ring.

These fighter are extremely well prepared.

I like Khabib Nurmagomedov.

He is like a real humble warrior.

He doesn't offend and say bad things about other players.

That is to sell the tickets.

Stipe Miocic

I want to tell you the story that happened to me.

Two very frightening things happened to me.

I lived in a dorm. My roommates left. I was alone in a room. At midnight I heard a woman with red clothes, she pushed the door and came in, she asked if she may I come in. She came in. She pushed me.

It was a nightmare. I couldn't sleep. I went to another dorm.

Dreams belong to our subconscious mind.

This is more frightening than the one I just told you.

It happened in 2015. I have had an interview.

You had a nightmare, so you woke partially, before you woke up completely.
