## **Discussion**

How are you doing today?

I am good.

What did you do before this lesson?

I just woke up before this lesson.

Why did you wake up so late?

I often wake up AT 9 am.

When do you start working?

My working hours are flexible.

When do you choose to start working?

I choose to start working at 11 o'clock.

If you start working so late, when do you finish?

I always finish work at 11 pm.

So you work 12 hours a day, from 11 am to 11 pm?

Yes, I do.

How about your life-work balance?

Why did you choose this topic?

Because I am in charge of finance department so the tax is always my topic.

You always talk about taxes?

Yes, I do.

It's just one of the expenses?

So it depends on situation. Workers like to decrease the tax rate.

I think that the interest rate of 4% would be fair.
