

Getting Your Driving License

Discussion

How are you doing today?(How do you feel?)

I am doing great.

What did you do before the class?

I received a visitor.

What kind of visitor?

I received a representative from a public company I supervised.

He wants to restructure the company.

How would he like to restructure the company?

It is possible.

Do you think it's a good idea?

Yes.

Why did he need to visit you for this, it's his company?

I am a supervisor, I need to review the plan.

Does this mean that public companies can't do anything without a supervisor.

What are your plans for the rest of the day?

I plan to go home and have a dinner. I am going to have a dinner with my family, my mother will prepare the dinner.

Are you a driver?

Yes, I am. I got my driver's license twelve years ago.

What can you drive?

I can drive a car.

Can you ride a motorbike?

Even if you ride an electric bike, you need to know rules of traffic?

Is driving and owning a car necessary?

What was this conversation about?

It was about Anna who is going to take a driving test. She is nervous and mark gives her some times.

Public transportation?
