

# The Dentist

## Discussion

What did you do today?

It's a workday, in the morning, I went to my office.

Did you do anything else?

I talked about sale promotion with my partner.

What kind of promotion is it?

This promotion is next month, in November.

Why is 11th November special?

It's a beginning of TaoBao promotion.

Why?

It's not a holiday?

What is a dentist?

It's a doctor, who looks at patient's teeth.

No, I don't. Why not?

I often eat in a resaturant.

How often do you brush your teeth?

I brush my teeth twice a day.

The last time I saw the dentist was in June.

Why did you go to see the dentist?

Because my teeth was a little painful.

I had a toothache.

No, I don't. Why not?

I am afraid of dentist.

He could have asked the dentist to play the music. Music helps most people relax.

Dentist can make your smile look better.
