

# Believe In Yourself

## Discussion

Are you a confident person?

I can try any difficult thing.

What are some difficult things you have tried?

How long have you been learning English with foreign teacher?

My company is sell tires. (you have a verb “is” and “sell”)

My company sells tiles.

Is it hard to sell tiles in China?

No, it’s not hard. It’s very easy.

You have an entire business that sell one tile???

Use future simple tense:

I will be difficult in the future.

Why?

Because now, real estate went down.

People don’t build homes anymore?

There are too many apartments in stock.

Why are they empty?

Apartments are priced highly.

quickly(adv.): This horse runs quickly.

intelligently(adv.): My sister speaks intelligently.

wisely(adv.): He wisely decided to do it.

annually(adv.): The meeting is held annually.

beautifully(adv.): My daughter dances beautifully.

annual(adj.): The annual competition is coming.

beautiful(adj.): The flower is beautiful.

Confidence is a source of success. Why?

In reality, no matter how difficult or poor the conditions are, as long as you are confident.

How can someone be confident, if the conditions are so difficult?

Someone should look for encouragement from his family members, friends, etc.

Who are you talking about?

Persistence is also an important factor.

Have you ever failed?

I have failed to make a nice dinner. I have failed to buy this on a discount.  
I have failed to visit my best friend last month.  
I have failed to save the money.

What is hard about making these sentences?
