

City Life & Country Life

Discussion

What do you think about these two different ways of life?

They are totally different. There are a lot of people in cities, there are many cars, and the traffic is very heavy and busy.

There are a lot of tall buildings in the city.

There are a lot of shopping malls and coffee shops.

There are many more companies, and work opportunities in cities.

Life in a big city more stressful. The competition is serious in the cities.

Jobs of a waiter or cleaner are dead-end jobs, most people don't dream about doing them.

The scenery in a countryside is much prettier than in a city.

I like big cities.

People feel bored when they live the same lifestyle.

Life in the USA is much different from the life in China?

I am confident about it.
