Why did you move to Singapore?

My daughter studies here.

My husband works in China.

How does this affect your life?

I struggled for a long time. Before pandemic, my husband worked in China. We could fly frequently. After the pandemic, China implemented 0 case policy, we haven't seen each other for about 9 months.

I planned to stay there for 1 month after schools opened. It was the time of Chinese New Year. But things always change. At that time China had a lot of new cases so my city was locked-down. In Singapore the situation was the same. Because of this we stayed in China for a year and a half.

Why do you insist on living in Singapore?

I live in Singapore because of my daughter's education.

My daughter has an opportunity to study in a top school.

Why is education better in Singapore?

The educational system is more modern and practical.
