

Scary Movies

Discussion

How are you doing today?

I am good.

What did you do today?

I got up at 6 o'clock and sent my younger sister to school. I had a breakfast.

I went to see a dentist. Why do you want dentist to clean your teeth?

My dentist told me that we shouldn't really try to change the nature of our teeth. If we do these things our teeth more sensitive.

People in my country want to whiten their teeth.

What is your job?

I don't have a job now.

I applied for motorcycle license.

What was this conversation about?

The girl watched a slasher movie.

Why did the man think about the movie?

The man thought that the movie wasn't very good.

Why?

Them protagonist was very stupid to open the door and get killed by a villain.

What does the lady think about that?

In horror movies mistakes have to be made, otherwise the bad action would not happen.

Make three sentences using 3rd conditional:

1. If I had not eaten too much, I would not have became fat so easily. 1. If I hadn't watched a horror movie, I wouldn't have imagined that the monster is scary. 1. If she hadn't traveled to many countries, she wouldn't have met so many different people.
