

Italian Food

Discussion

I didn't have many classes.

I sleep in my free time.

I slept today.

Ten minutes ago I was in the library.

Are you also going to study business English?

Why do you like English?

What is your favorite food?

I like chicken feet.

What do you like it?

It's very tasty.

Is it healthy?

Sauces are usually full of oil, sugar, fat, etc.

Feel will be very soft.

sweet, bitter, salty, sour

Is this Chinese cuisine?

Yes, it is.

It's eaten in my country, but usually in a soup.

I saw this food in Thailand.

I took a nap.

When happened first?

The most impression(noun)????

the most beautiful

Spaghetti and pizza impress me the most.

Do you like these dishes?

I like spaghetti.

I like eating them in cafeteria.

Do you think these dishes are healthy?

Pasta contains a lot of simple carbohydrates.

This is special about pizza. As long as you have pizza dough, you can choose the topping you like.

Poor people in Italy didn't have much choice, so they made dough, and put anything they had on this dough.
