

What Places Would You Recommend To A Visitor To Your Country?

Discussion

What is your favorite place in China?

I really like Sanya.

It has a pleasant climate.

How often do you go to this place?

I go there twice a year.

Is it easy to travel in China?

Yes, it is.

Why?

Transportation is very convenient. Every city has few airports. On which many airlines operate.

I would recommend Sichuan province.
