

# My First Job

## Discussion

I took my son to training.

What kind of training?

My son had thinking training.

I never heard of this training.

Did you do anything else?

We learned English in an English institution.

How is the weather today?

It's very hot, the temperature is about 35 degrees Celsius.

What do you plan for the rest of the day?

I want to run around the playground.

Why?

I want to lose 5 kilograms.

Are you dieting?

Yes, I am. I started eating twice a day. I eat only the half that a normal person would.

Do you think that this diet is sustainable?

No, I don't.

Do you think eating vegetables is important?

What was your first job?

My first job was software engineer in Korean company.

What do you remember from your first job?

I remember a lot of colleagues.

I didn't like the environment.

What did you dislike about the environment?

The company rules were very strict.

We had to start at 8 o'clock.

I didn't like the management style of that company.

Does this company still exist?

Yes, it does.

What was the conversation about?

The conversation was about my first job.

What was his first job?

The man's first job was advertising. He liked his boss and colleagues in the job.

He didn't make much money.

What is the most important thing when choosing a job?

It's important to get knowledge and valuable experience from a job.

If the person is older, salary is the most important.

Do companies offer some extra benefits? e.g. car, classes, life and health insurance, opportunities to visit headquarters in a foreign country.

My wife's first job was accounting.

Is she still an accountant?

No, now she is working for the government. She works as an assistant.

**Express yourself in sentences.**
