

Is Ethic Conflict Inevitable

Discussion

What is your job?

I work in HR department.

What does your company do?

I work in company that produced elevators and excavators.

How do you enjoy working in Finish company?

Why did you choose this topic?

It's good for me to choose different kinds of topics.

It is a good tip.

When it comes to vocabulary I recommend that students focus on particular topic for extended period of time(a month, two months...)

25% (25 percent) 5% (5 percent)
