

Dress-code What Should I Wear?

Discussion

tutorials(1v1) private(4v1)

I told about that. It's really difficult to conduct 4v1 classes with random people.

Chinese National Day Holiday

The platform will be upgraded.

Students will be compeled to preview the lesson.

I would love that students could just book their classes more easily.

How important is the dress code?

It is very important.

If this person wants to work for a famous company, the dress code should be his or her first step.

What kind of clothes should a person wear?

He or she should wear formal suit.

I don't believe that IT engineer in Huawei needs to wear a suit.

My best friend works in Microsoft. His colleagues come to work in shorts and t-shirts.

Even flip-flops.
